

**Art Sunday**  
**Artist/Vendor**  
**Parking Information**

September 6, 2015

Select a numbered location and set up your exhibit. After you set up, and **before** the park opens to the public at 8:00am, **park your vehicle in the artist/vendor parking lot.** Sign in or register in the library between 7:00am and 9:00am. Parking permits allowing entry to the artist/vendor parking lot will be available both in the library parking lot and in the artist/vendor parking lot.

Reminder: No unauthorized vehicles are to be in the park during the hours we are open to the public **(8:00am – 5:00pm.)**

We appreciate your cooperation with this rule as it makes things safer and more pleasant for us all. Someone at the vendor parking lot gate or the library parking lot gate will have a cart available if transportation inside the park is absolutely required during the day.
